Attorney General John Ashcroft
US Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Mr. Ashcroft:

I am writing to say that I want to see Microsoft go back to business without being further persecuted for being successful. I understand they have agreed to settle the matter now pending and I believe that the settlement is the best thing to do without wasting more time and money in court.

I believe the government should have never brought this suit against Microsoft, so it is now incumbent upon the government to accept a reasonable settlement.

Please accept and implement the agreement, and, most importantly, end the federal lawsuit. Thank you.

Thomas Gorman
